

Marketing and Sales in the Context of Your Healthcare Practice

Private healthcare is a competitive business and if you are in a crowded market, people have a multitude of choices with regard to their service provider. As such you need to differentiate your practice from the others and get noticed to obtain referrals. This workshop focuses on the *hows* of differentiating your healthcare practice and getting noticed with a view to attracting *patients/clients*.

12 participants:

Orthodontist
Dental Hygienists
