#### COMMENTS

##### The most important thing I learned/experience today was...

Strategies to use on challenging behaviour  
 We teach the children how to do tantrums instead of them doing it on their own  
 That we teach the children how to behave appropriately  
 Emphasis upon structure/scheduling  
 How to focus on gearing away from neg. behaviour in a positive way to help the child express themselves in other ways  
 How to control aggression  
 Feed the right behaviour  
 How to deal with children  
 A reminder of how I use or say things on a daily basis and how it affects the children I work with  
 An overall useful behaviour management strategy for any child  
 Children come from so many different situations  
 Feed the right dog  
 Positive reinforcement and behaviour modification  
 Was reminded how to be positive and redirect children's behaviour  
 Was the ability to control my child's behaviour

##### I can use this information in my workplace to...

Address challenging behaviours  
 Redirect behaviour to assist co-workers and build upon programming  
 Help children in distress and stop others from copying  
 Get kids to behave  
 Help with children better  
 Have a more positive outcome on behaviour  
 Yes  
 Better help the children  
 yes  
 Work with children who are unhappy in their home environment  
 Yes to share with staff to keep routine  
 Positively interact with families
